

## **Transtar Industries Welcomes New Supply Chain Vice President Greg Kaganovich**

**[Tuesday, April 6, 2021 – Cleveland, Ohio]** The leading distributor of automotive aftermarket parts and software solutions, Transtar Industries, announces Greg Kaganovich has joined the growing organization as Vice President of Supply Chain. Kaganovich succeeds former VP, Supply Chain Kevin Rozsa who will now serve as VP, Marketing.

Chief Operating Officer Joe Levanduski says, "I am excited to welcome Greg Kaganovich to the Transtar team. He is a high-level supply chain and operations professional with the experience and leadership skills necessary to help build off existing supply chain success."

Kaganovich brings more than two decades of supply chain experience and a proven track record helping organizations achieve near-term goals and long-term objectives.

### **About Transtar Industries:**

Transtar Industries is the global leader in transmission and driveline-related solutions. Dedicated to providing customers with outstanding service, offering the broadest product catalog and best-in-class distribution of quality OE, aftermarket parts, and premium remanufactured products. Founded in 1975 in Cleveland, Ohio, in four decades, Transtar has grown to be a global supplier of products related to the transmission and driveline, with a comprehensive offering that includes automatic and standard transmission units, transmission rebuild kits and components, remanufactured torque converters, hard parts, valve bodies, differentials, and transfer case kits and components. Using their robust distribution network throughout the domestic United States, Puerto Rico and Canada, they deliver products to more than 80 countries.
